

Bus Service 32 - Chilworth/Albury Area

Please note that Sherbourne (between Park Gates/New Road and Silent Pool) will be closed totally to all traffic due to the carriageway sinking, making it unsafe for vehicles.

This will mean that service 32 will not be able to operate through Albury, Chilworth and Shalford for the duration of the works.

Surrey County Council Highways department have supported a shuttle bus service to operate during this time, with fares being charged – this will operate between Albury and Guildford every day (except Sunday) of the closure from Monday 27 July 2020.

The shuttle bus will pick up and drop off at every stop between Guildford Bus Station and Albury Park Gates,

Service 32 will still operate between Guildford, Dorking, Reigate and Redhill, but will divert non-stop between Silent Pool and Guildford Bus Station and vice-versa.

Monday to Saturday only
